

April 2007

Dear Friends and Family,

Happy Resurrection Day!

Thank you for praying with us, regarding additional help and a back up for our ministry in the Medical Plan Office. The Lord is answering our prayers!

A couple has indicated that they are interested in working with us and just this past week they visited us for several days. Lord willing, they plan on moving to Sanford in July. They have six children, five of whom will be coming to Sanford with them. Their oldest daughter will continue her college studies up north. The Mission will be providing them with housing in an apartment at Headquarters, which will give them some "breathing space" to look for a larger accommodation in the months to come. We went with them "house hunting" but they couldn't find what they wanted in that short time.

We praise the Lord for His wonderful provision to us of a back up and additional help in our busy office. There are a number of projects that we have had to put "on the back burner" because there just hasn't been time for them. Our new co-workers will be a tremendous blessing, as everyone in our office serves our fellow missionaries, most of whom are on the fields of service, planting tribal churches. We're all seeing and hearing of many coming to know the Lord, which is the entire emphasis of us being here!

We are very thankful to those who have been such a wonderful help and blessing to us. We thank you for your faithful prayers as well. Thank you again.

Please continue to pray that more tribal people will have an opportunity to hear the Gospel this year. There are yet countless tribes around the world who have never even once heard the name of the Lord Jesus Christ. They do not have God's Word in their language. The needs are urgent and the laborers are few.

We trust that this letter finds you well and encouraged in the Lord.

Serving a Risen Savior,

John & Linda (McGhee)
