*Jesus said … **I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live.***
John 11:25

April 2012

Dear Friends,

Greetings from your co-workers!

It always amazes us when another month speeds by so quickly. April is here and signs of new life can be seen all around us.

As we celebrate the Resurrection of our Lord Jesus Christ, our hearts can do nothing but rejoice in the wonderful gift of salvation that God has given to us. It is only through the death, burial, and resurrection of His dear Son, Jesus, that He has provided our salvation. *"Thanks be to God for His unspeakable Gift."* 2 Corinthians 9:15.

We thank the Lord for your prayers for us in the work that God has given us to do. There are many important daily decisions to be made in administrating the NTM Medical Plan and we are thankful for your partnership in this ministry. It is a joy to have been commissioned to be part of a ministry that will count for all eternity – that of reaching tribal people with the Gospel of our Lord Jesus Christ.

It is always an encouragement to hear about tribal believers who are sharing God's Word with their fellow tribal people. Recently we read about Bonéré who is a Konyagi believer in the country of Guinea, West Africa. He has begun teaching *Firm Foundations* Bible lessons to the Konyagi people. As the people heard the first four lessons, one man told Bonéré, "If we had been taught this way from the beginning, we would have understood many things."

Please pray for Bonéré as he continues to prepare Bible lessons in the Konyagi language; these will be a great help in sharing the Good News with the Konyagi people. Pray that many will put their faith in Jesus and His finished work on Calvary.

In closing, we trust that you have a blessed Resurrection Day. Once again, thank you for your prayers for our ministry.

Because He lives,

John & Linda
