

***To every thing there is a season,
and a time to every purpose under the heaven:
A time to be born, and a time to die;
A time to plant, and a time to pluck up that which is planted...***
Ecclesiastes 3:1-2

April 2005

Dear Faithful Supporters and Co-laborers,

The headlines over the past few weeks certainly have echoed the words found in Ecclesiastes, *"To every thing there is a season...A time to be born, and a time to die..."* Never have two little sentences in the well-known poem, been more timely or true:

Only one life, 'twill soon be past.
Only what's done for Christ will last.

Thank you for your prayers and faithful gifts of support for our ministry with New Tribes Mission. We truly appreciate your partnership with us in the ministry of being involved in taking the Gospel to tribal people around the world.

Some current prayer requests:

- Linda McVey, our faithful office co-worker, has been off work sick for over two weeks with bronchitis. She will soon be having knee surgery and has told us that she will be away from the office for at least 6-8 weeks.
- A retired couple, who volunteer in our office each week, will be traveling from April to October. We will greatly miss them.
- Our son, David, just had all four of his wisdom teeth removed. At this time his face looks like a "greedy little chipmunk"—it is so very puffy and he is in a lot of pain.
- We would appreciate your prayers that the Lord would raise up more co-laborers who would be willing to invest their lives in a ministry that will last for all eternity, as men and women, boys and girls, from every tribe, tongue and nation come to know Jesus as their Savior.

Thank you for praying! One of our faithful supporters has recently gone Home to be with the Lord. We will greatly miss his prayers and gifts of support. We know that God is faithful. Thank you again for your gifts. May the Lord richly bless you, as you live for Him every day.

Love in Christ,

John & Linda McGhee & Family
