

He leadeth me beside still waters

Psalm 23:2

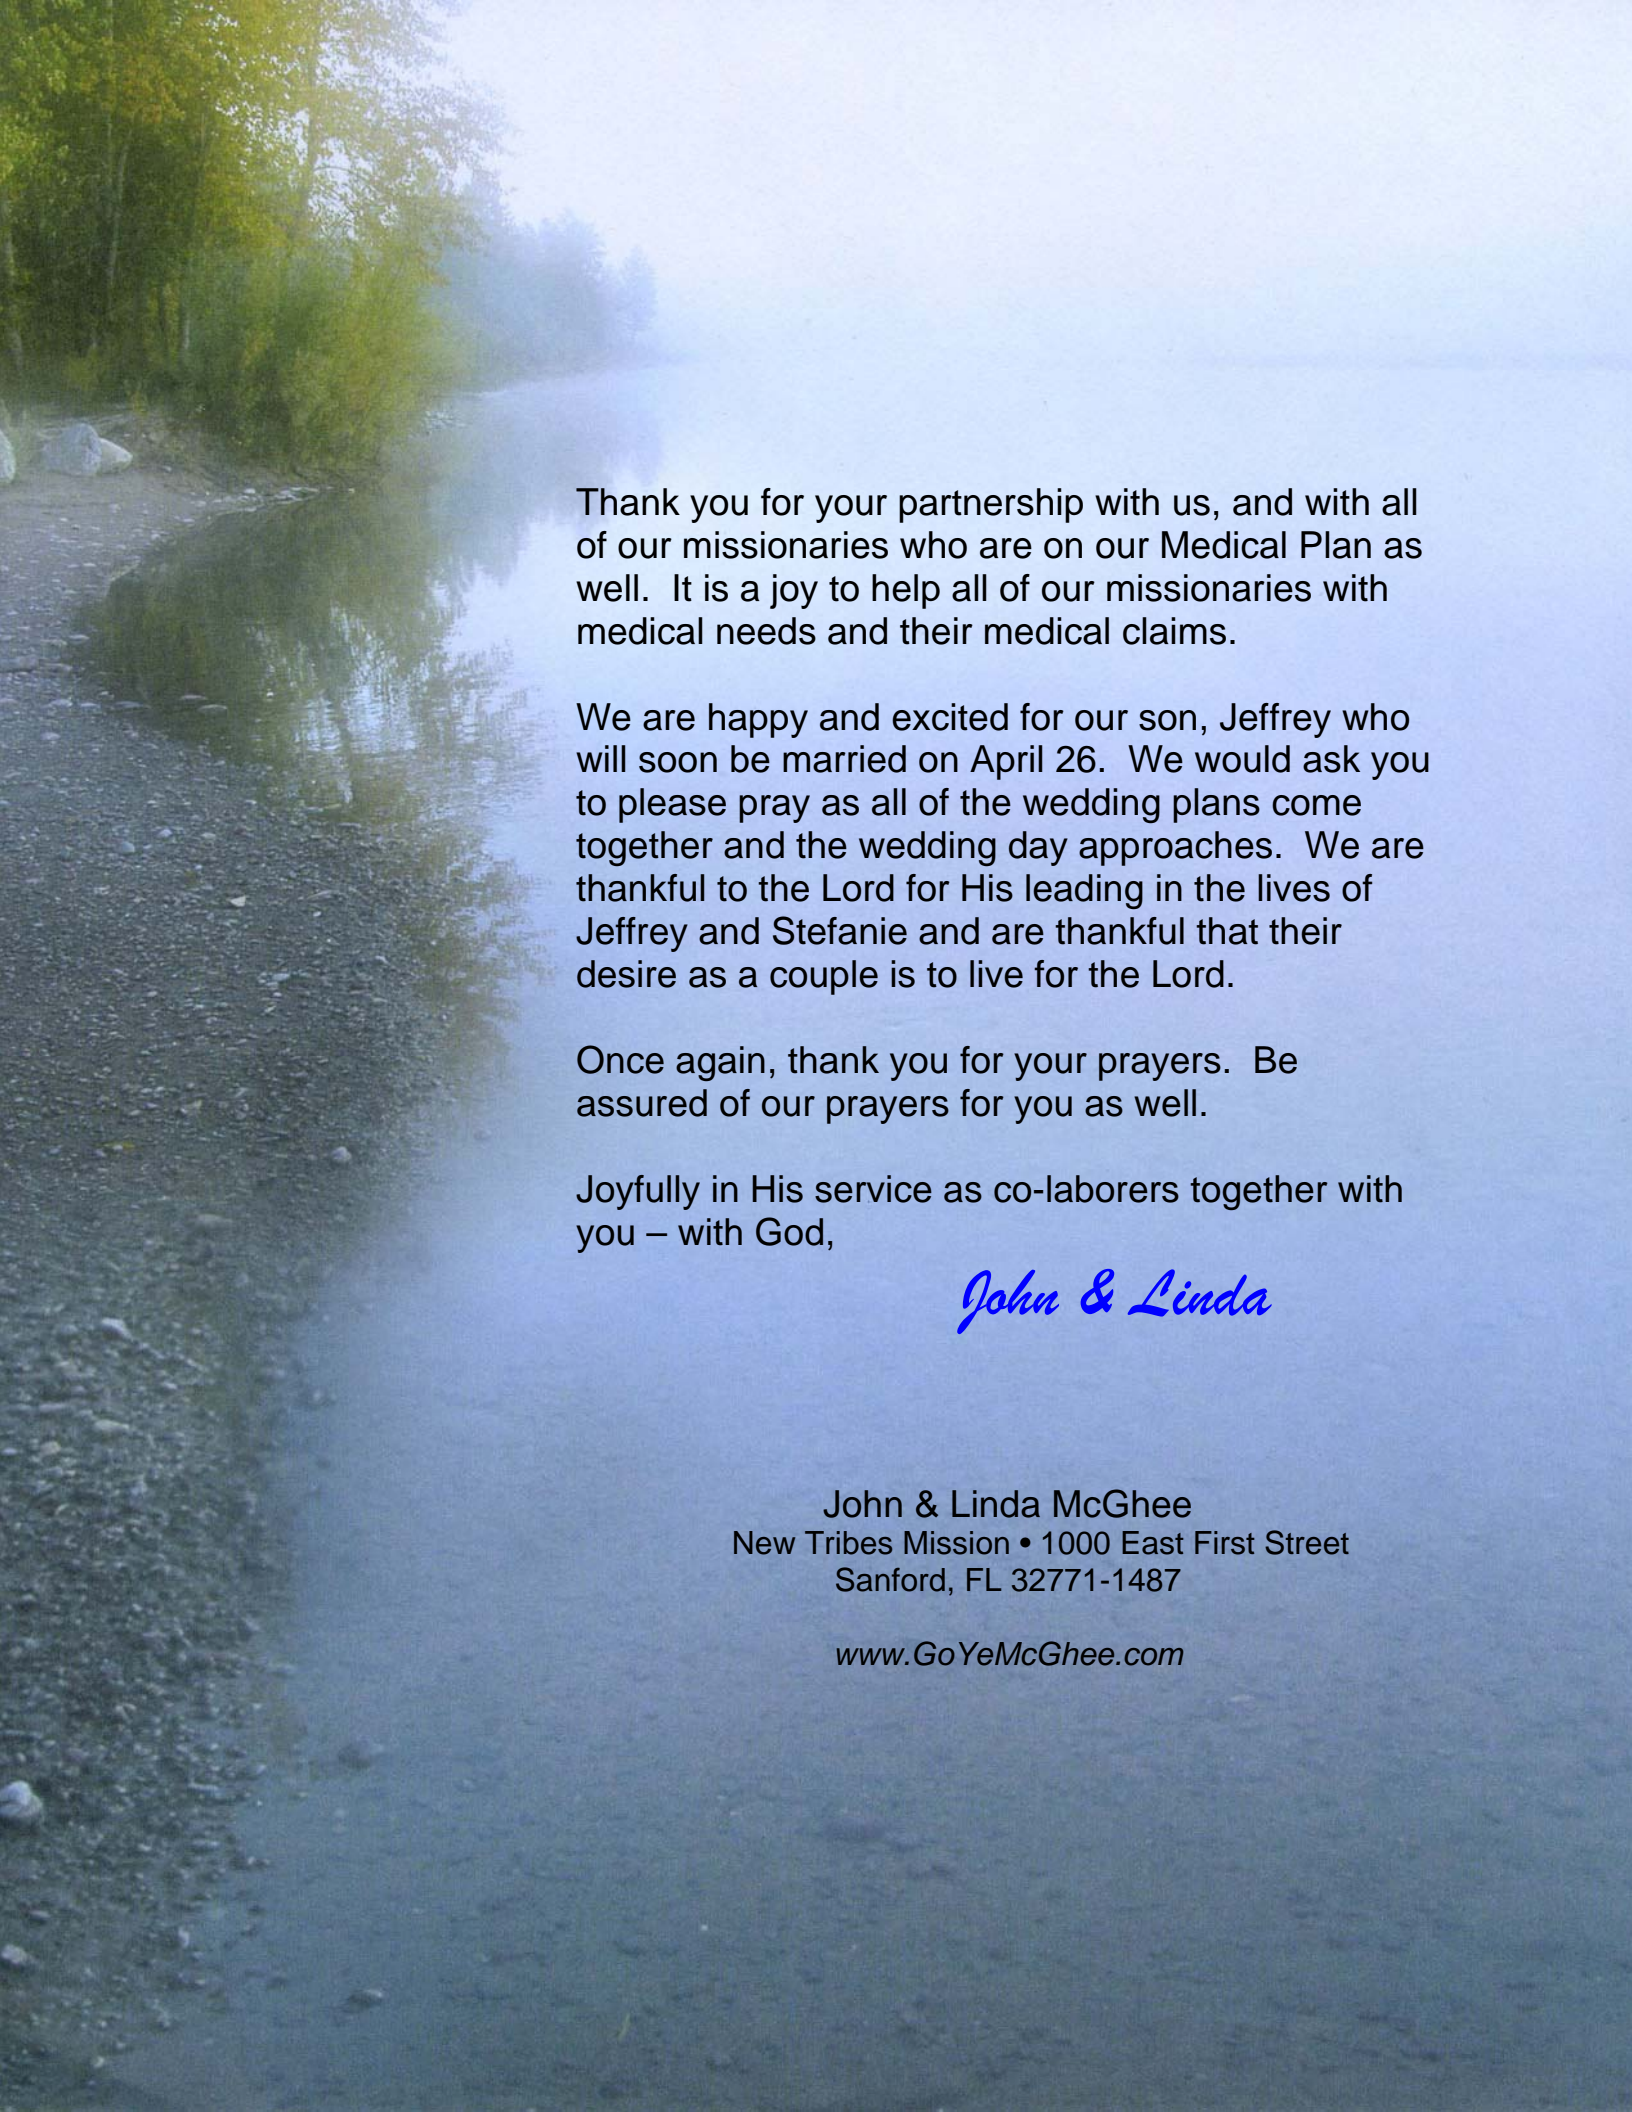

April 2008

Dear Family and Friends,

For all of us, life at times becomes ever so busy and it is good to be reminded from God's Word that it is He who is the One who provides us with those times of rest and quiet "beside still waters" that refresh and revitalize us in our service for Him.

We are thankful to the Lord for those who kindly support us through their prayers and financial gifts.

Just this past month, the Wana tribe in Indonesia received their New Testament in one volume. The dedication was held over there, and there was much excitement for all of the believers. We went through the missionary training with the missionaries who work in that particular tribe, and we still keep in touch with them. Thus, it means even more to us, personally. The New Testaments were printed in Indonesia.

Thank you for your partnership with us, and with all of our missionaries who are on our Medical Plan as well. It is a joy to help all of our missionaries with medical needs and their medical claims.

We are happy and excited for our son, Jeffrey who will soon be married on April 26. We would ask you to please pray as all of the wedding plans come together and the wedding day approaches. We are thankful to the Lord for His leading in the lives of Jeffrey and Stefanie and are thankful that their desire as a couple is to live for the Lord.

Once again, thank you for your prayers. Be assured of our prayers for you as well.

Joyfully in His service as co-laborers together with you – with God,

John & Linda
